Ahoy, Captains!

It's time to set sail on another action-packed Patch the Pirate Club adventure!

Enlist with multiplied thousands of world-wide sailors who will be joining Patch the Pirate for some thrilling "Ocean Commotion" as he and the crew discover treasures of "finding refuge in Christ!

Songs for the year include NEW songs from *Ocean Commotion* as well as some best-loved classic Patch. You will be singing—*Noah Found Grace, Ocean Commotion, Backbone, Treasured, A Godly Friend, Help Me Forgive, Sound an SOS!, The Master of Your Mind, The One Who First Loved Me*, and *The Wise Man Built His House Upon the Rock*.

Godly character traits for the year encompass a wide variety of principles and teaching—*salvation, courage, cherished by God, friendly, forgiving, ambassador, godly, loving, and strength*.

A beautiful arrangement of *How Firm a Foundation* with *You Are My Refuge* is the hymn the children will be singing throughout the year. The children will be singing it in the final awards concert which can now be easily located in the final month of the year. Using the NEW nine-month Captain's Log, you can begin to rehearse the final program any time during the year.

An optional Christmas song and script entitled *Gentle Mary* is included in both the Captain's and Sailor's Logs. No searching around for something special! Simply rehearse this song and script along with the Patch songs in the early months of the year, and you will be all ready to go at Christmas.

Captain Patch and crew desperately seek shelter from a terrible storm. Along the way they discover a village of shaky shacks in the ocean and try to warn the people of the approaching storm. By learning the story of Noah and the parable of the wise man who built his house on the rock, the crew learns that Christ is their foundation and refuge to weather the storms of life. Listen to the fantastical *OCEAN COMMOTION* escapade throughout the year as the children learn biblical lessons and study Bible devotions to teach them how to know Christ and find refuge in Him.

Don't miss this exciting adventure! I hope to see you in Club!

Rejoicing in the Lord,

*Ron Patch Hamilton*

## WHAT IS PATCH THE PIRATE CLUB?

Patch the Pirate Club is a unique children's choir program based on the music of Patch the Pirate. The mission of Patch the Pirate Club is to provide opportunities for elementary children (grades 1-6) to grow spiritually while developing musically. The easy-to-implement curriculum has been used successfully since 1984. There are nine months or units each year. Each unit emphasizes a godly character trait developed through songs, Bible-Impact lessons, Scripture memory, daily devotions, Willow Valley stories, missionary stories, music lessons, activity pages, and performances.

## WHO USES PATCH THE PIRATE CLUB?

- Churches—mid-week service, Sunday school, children's church, Sunday night
- Homeschool co-ops
- Weekly Bible clubs

## WHAT IS THE TARGET AGE LEVEL OF PATCH CLUB?

Patch Club targets grades one through six. PeeWee Club targets kindergarten, ages 4 and 5. Some clubs include first grade in the PeeWee Club, and some Patch Clubs use sixth graders as helpers.

## DO WE NEED A MUSICIAN TO RUN THE CLUB?

No. Many captains simply use the music CDs and everyone sings along. All you need to run a Patch Club program is someone who loves children and is willing to dedicate time to make a difference in their spiritual future. The *Learn-at-Home CD* helps your clubbers learn the songs in a snap!

## WHAT IS THE LENGTH OF THE CLUB YEAR?

Patch Club is a 9-month program designed to run parallel to the school-year calendar.

## Training the Next Generation

*with godly character songs and lessons!*

## WHAT ARE THE BENEFITS OF PATCH CLUB?

- Children learn godly character through music, Scripture memory, Bible lessons, daily devotions, and stories.
- Children gain a love for singing, and club performances prepare clubbers for future service as members of the church choir.
- Children learn to be faithful in having their devotions.

## HOW MUCH SCRIPTURE MEMORY IS INCLUDED?

Children quote a Scripture memory passage along with Patch over the course of the club year. There is also a memory verse each month and a make-up memory verse each month that can take the place of an absence.

## WHAT DO WE NEED TO OPERATE PATCH CLUB?

**Captain's Log Book:** includes 9 months of weekly curriculum including godly-character songs (vocal line, lyrics, piano accompaniment), Bible-Impact lessons, missionary stories, Scripture memory, music lessons, rehearsal plans, performance plays, games and activities, and all instructions for a club meeting. Most clubs purchase 1 to 3 Captain's Logs, 1 Log per captain. (For Junior Church, churches purchase one Captain's Log and use the Bible-Impact lessons, Scripture memory, music, and games/activities. The Willow Valley Kids books are also well loved in children's church.)

**Sailor's Log Book:** includes each unit song with melody lines and lyrics, memory verses, daily devotions, music lessons, godly character activity pages, and adventure coloring illustrations. You would need one Sailor Log per child.

**Learn-at-Home CD:** includes the Patch Club Song, the Sailor Salute, Club verse, all 9 monthly songs, the traditional hymn for the year, the Patch theme song for the year, the Christmas song, and the Scripture memory passage read by Patch. If clubbers are encouraged to listen to this CD at home and in the car, your rehearsal time in Patch Club will be cut in half! *The Learn-at-Home CD is so beneficial to club, it is now included in the inside back cover of Sailor Log, Issue One.*

**Patch Club Performance/Accompaniment CD:** Contains all stereo trax accompaniment plus the content on the *Learn-at-Home CD*. (Use in place of pianist for children to sing along with in rehearsal and performance.)

**The Learn-at-Home CD is now in the Sailor Log, Issue One.**

## WILLOW VALLEY KIDS— THE HILDEBRANDT HEIST

An old abandoned estate, a wandering stranger, and a frightening sound in the woods lead the Willow Valley Kids ever deeper into a mystery that turns an ordinary summer into weeks of non-stop excitement. Each new discovery challenges what the five friends presume to be true, and they soon find out things are not always as they appear. In their search for answers, the children learn first hand that God is in the business of redeeming what is lost and broken. 208 pages.

Book **NEW!** 0300002 \$9.95  
Illustration Pak (36) CD-ROM **NEW!** 0310002 \$19.95

So that the club can obtain the stories in sequence and due to its wide popularity, we are pleased to announce that the *Willow Valley Kids* is now available as a children's book series. For over two decades, children's author Jean Pennington has been crafting exciting, character-building stories into the Patch the Pirate Club curriculum. Sailors have enjoyed learning biblical lessons weekly through the fun, action-packed *Willow Valley* adventures.

These books will be standard-size children's paperback readers with approximately 200 pages containing beautiful line drawings illustrating all 36 chapters. A full-color illustration pak for each book in the series is also available that you may purchase and use as you read these stories to your club.

The *Willow Valley Kids* books will continue to be a part of the Club Curriculum but will be published separately and included in the Club Starter and Super Paks.
