REJOICE

H Y M N S

We have received suggestions for new songs as well as old standards from hundreds of choir directors, music pastors, and church laymen.

The songs chosen have been selected by carefully evaluating:

- the biblical doctrine
- the appropriateness of the music to the lyrics
- the singability of the song
- the number of church congregations already utilizing the song via PowerPoint®

Rejoice Hymns features:

- 30 last stanza settings, usually transposed to a higher key with the congregation singing unison while the keyboards play creative, colorful chord progressions
- 91 optional segues between songs
- the addition of over 150 new songs
- expanded indexes
- clear, readable font sizes
- 708 songs including well-loved standards and new favorites
