

AHOY! PARENTS!

This month in PeeWee Club I am learning how special I am to God. I need several things from my house to help me with my crafts during these lessons. First, I need to bring a photo of me and a flat refrigerator-type magnet—(You know one of those outdated calendars or advertising magnets that we no longer need). Just put these in an envelope and write my name on the outside and send it with me by \_\_\_\_\_.

Would you also write down my name and its meaning in the space below? This can be sent in the above-mentioned envelope. By the way, my captain says if my name is rather unusual and we can't find its meaning, then we can write if my name is a family name or how it was chosen.

Thanks loads!

From your sailor (and Captain)

My name is:

---

My name means:

---

---

---
